**Religion recommended to youth, in a series of letters, addressed to a young lady: To which are added. Poems on various occasions**

Turkey, however, considers that approximately 90 per cent of the water in the Euphrates River and 50 per cent of the water in the Tigris originates in Turkey and that it is therefore its resource to do with as it pleases. In this historical epoch of the dominance of modern technology, entities cease to appear in their uniqueness and singularity, but instead manifest themselves only one-dimensionally in terms of their instrumental value.
