touch a weapon made my voice an image in the current too late
announcing my coming fishermen throw me back without touching
the line snakes shed a skin of ash when I grow suddenly warm
underwater lightning I have left a trail of fir We are the
publisher, so all of our authors get five stars from us.
Surprisingly, very little in the evolution of life-forms has
been lost in natural and social evolution, indeed in our very
bodies as our embryonic development attests.
