Estamos, portanto, diante de um pensador que valoriza o debate e o confronto de ideias. Not every believer will need evidentialist arguments to have second-order knowledge, but those with intellectual doubts may find it necessary to examine the evidence for their beliefs to make such second-order knowledge secure. Admittedly, such second-order knowledge would then be subject to possible objections, as all evidentialist arguments are. In some cultures, it was believed that a horse would not step over the grave of a vampire.
